

## Post-Study System Usability Questionnaire for a Knowledge Graph in the Climate-Tourism domain.

### **What is this survey about?**

This survey contains a series of 16 statements which a participant should respond to. Each response is on a scale of Strongly Disagree to Strongly Agree.

### **Who is carrying out this study?**

This study is being carried out by student Jarrett Pierse under the supervision of Assistant Prof. Soumyabrata Dev from the School of Computer Science in University College Dublin.

### **How is this study conducted?**

The study is conducted via a digital survey.

### **Who may take part in this study?**

Students with a background in Technology or Computer Science may take part in this study. You must be over 18 years of age to take part.

### **What will my participation involve?**

Participation involves interacting with the developed Knowledge Graph and then providing feedback via a series of 16 agree/disagree statements. The survey will take between 10-15 minutes to complete. You may withdraw from the survey at any stage.

### **Is the survey anonymous?**

The survey is completely anonymous and no personally identifiable information will be collected. The name and email provided on the separate consent form will not be used for the purposes of the study and will be destroyed upon completion of the study.

### **How will the data be used?**

The generated data will be used to calculate four key metrics for the purposes of a project evaluation. No personal information will be stored and individual responses will not be kept beyond the conclusion of the study.

### **How will the data be stored?**

The data will be stored in a secure UCD-managed Drive and will not be publicly accessible. The resulting metrics generated from the group responses may be published via the Open Science Framework.

### **Who can I contact for further information?**

Feel free to email me, [jarrett.pierse@ucdconnect.ie](mailto:jarrett.pierse@ucdconnect.ie) if you have any further questions or concerns. You may contact the project supervisor [soumyabrata.dev@ucd.ie](mailto:soumyabrata.dev@ucd.ie).
